* The Renault Twizy range has been measured and certified to 62 miles by UTAC (Union Technique de l'Automobile du Motorcycle et du Cycle) on the ECE-15 cycle. Exactly as with petrol and diesel cars, when driven under real conditions, this range will vary according to: speed, driving style, the terrain of the road, the use of electric accessories. Most of these factors can be influenced directly by the driver so as to help maximise the range of the Renault Twizy. For example, the range will be around 50 miles using eco driving principles and 31 miles when driven under severe conditions.

CO₂ BANDING

The amount of Vehicle Excise Duty (Road Fund Licence) payable on new cars varies depending on the level of CO₂ (Carbon Dioxide) emissions produced by the vehicle and the type of fuel used. The table below illustrates the 'CO₂ banding' and, therefore, the amount of Vehicle Excise Duty payable. These bandings are effective from 1st April 2015 and supersede any previous bandings.

BANDS	CO ₂ Emission Figure (g/km)	First Year Diesel Car (TC 49) and Petrol Car (TC 48) 12 Months Rate	Subsequent Years Diesel Car (TC 49) and Petrol Car (TC 48) 12 Months Rate	BANDS	CO ₂ Emission Figure (g/km)	First Year Diesel Car (TC 49) and Petrol Car (TC 48) 12 Months Rate	Subsequent Years Diesel Car (TC 49) and Petrol Car (TC 48) 12 Months Rate
Band A	Up to 100	£0	£0	Band H	166 to 175	£295	£205
Band B	101 to 110	£0	£20	Band I	176 to 185	£350	£225
Band C	111 to 120	£0	£30	Band J	186 to 200	£490	£265
Band D	121 to 130	£0	£110	Band K	201 to 225	£640	£290
Band E	131 to 140	£130	£130	Band L	226 to 255	£870	£490
Band F	141 to 150	£145	£145	Band M	Over 255	£1,100	£505
Band G	151 to 165	£180	£180				

These are the rates you will pay in the first year of ownership. In the second year, Vehicle Excise Duty rates will revert to the regular rate for that vehicle, as notified at the time of renewal.

The eco² symbol shows the vehicle emits less than 120g/km of CO₂, is manufactured in a plant that has been certified ISO14001. The vehicle can be 95% recoverable at the end of its life cycle. Find out more at www.renault.co.uk
