# Assist and control

We've added loads of new safety features to the All-New Dacia Duster.

## All-New Dacia Duster now offers:

- New seat frames and larger front head rests for improved protection.
- New curtain airbags.
- Isofix for child seats with a new i-Size feature for extra peace of mind.
- New Seat Belt Reminder (SBR) with dashboard display and a warning sound if a seat belt is unfastened.
- New bumper damper and bonnet design for improved energy absorption in case of impact.
- Eight-percent larger door mirrors for better driver visibility.

The All-New Dacia Duster isn't just easy on the eye. It helps to keep you safe and sound behind the wheel, too.

## Blind Spot Warning<sup>^</sup>

Kitted out with four ultrasound sensors, the All-New Dacia Duster lets you know when any vehicles at the back or side are between three and five metres away. If any danger is detected, a warning light flashes automatically in the door mirror, and if your indicator is on, a warning light flashes in the rear-view mirror. The system works between 19mph and 70mph

## Speed Limiter

Now you can drive under a pre-set speed without having to check your speedometer. Happy days.

## Automatic headlight activation

The All-New Dacia Duster offers automatic headlight activation which helps provide a more relaxed safer drive. Bet that's brightened your day...

# We've got you **covered**

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Duster is one tough cookie. To prove it, you get a 3-year\* warranty (or 60,000 miles, if you reach that first). This means we'll repair or replace any defective parts for free. To keep the good times rolling, you can extend your warranty up to 7 years for a great price.

We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Duster will stay looking good-as-new for years to come.

## Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 miles<sup>Δ</sup> after you buy your new Dacia.

## Servicing

Just like most cars, you need to get your Dacia serviced every year (or 12,000 miles if that comes first).

When the time comes, your local Dacia workshop is the place to go. With us you always get Dacia-trained experts, and original Dacia parts with a one-year warranty.

Want a helping hand? We make it easy to spread the cost of your servicing needs with Finance. Just speak to your Dealer or check the Dacia Price Guide for more information.

## The **engine room**

### Meet the boss under the bonnet

Just because your car is affordable, doesn't mean you have to compromise on engine quality. All our engines are rigorously tested, over 800,000 kilometres of test driving in fact. So you can relax every time you turn the key.

### Pick the engine for your lifestyle:

The new SCe 115 petrol engine is a great all-rounder

- 4 cylinder, 1598cc engine offers you 115 hp and 43.5 mpg combined with CO<sub>2</sub> emissions of 149g/km<sup>†</sup>

For ultimate fuel efficiency, try the Blue dCi 115 diesel engine

- An impressive 64.2 mpg and CO<sub>2</sub> emissions of only 115g/km<sup>†</sup>

### Blue dCi Engines

All-New Dacia Duster benefits from the latest Blue dCi diesel engines which are equipped with a system to reduce polluting Nitrogen Oxide vehicle emissions by injecting an urea-based fluid, AdBlue<sup>®</sup>, into the exhaust system. A dashboard message will remind you when the AdBlue<sup>®</sup> needs topping up via specific Adblue filling cap located next to the usual Diesel fuel filler cap. A full tank of Adblue will last for 6 full tanks of Diesel.

# The **Dacia way**

Fourteen years isn't long. But in that time we've grown from unknown to international warriors. We've sold 5 million Dacias globally since 2004. And since we launched in the UK in 2013, 120,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear and remain shockingly affordable.

Maybe that's why we've been one of the **fastest growing car brands** in Europe since 2004. Or maybe it's the awards we keep winning like our most recent award Autotrader's best value brand 2018. Don't just take our word for it – check out our trophy cabinet and our genuine customer reviews on **Dacia.co.uk**.

Did you know we're part of the **Renault Nissan Mitsubishi Alliance**, and share our head office with Renault? That means we also share Renault's **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

**Drop in;** it's easy to find your local dealer at **dacia.co.uk/find-a-dealer**.
