

Kia  
**SPORTAGE**

The Power to Surprise

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

A promotional advertisement for the Kia Sportage. The background shows two SUVs, a red one on the left and a black one on the right, parked on a paved area in front of a modern building with large windows and trees. A large red graphic overlay is positioned in the upper half of the image, containing the text. The red overlay has a white double-line graphic element at the top right.

Kia Sportage

## For journeys, not just destinations.

The Kia Sportage is all about offering you more than you'd expect. More breathtakingly distinct design. More cutting-edge technologies. More advanced features to enhance your comfort and safety. Improvements to handling and a stronger body mean a more refined and smoother ride. More reasons to get out and seize each day. It's about discovering a whole new way of seeing the world. Exploring. Venturing out. Finding new adventures, and new places. With so much innovation, style and comfort to enjoy, the Sportage is the perfect car for making every journey memorable. Notice how the front of the model conveys a bold and aggressive design featuring a muscular bonnet, high positioned front headlights and enlarged signature 'Tiger Nose' grille.

## Exterior design

# Eye-catching style.

The stunning Kia Sportage manages to stand out no matter where you are. Whether you're zipping through the city or making your way off the beaten track, cruising the open road or parked at home, the Sportage is the perfect combination of sportiness and style. Designed and produced in Europe, with distinctive, innovative design and truly striking features, the fourth generation Sportage is the most practical yet. The height of the model has increased by 5 mm. The overall length has increased significantly by 40 mm whilst the wheelbase has been extended by 30 mm. The increase in exterior size means an increase in head and leg room for both the front and rear occupants inside the cabin which adds to the comfort and space within the vehicle.

SPORTAGE

1. Eye-catching headlights feature large **Bi-Xenon headlights** and distinctive **LED Daytime Running Lights** to ensure the road ahead is always crystal clear. The sculpted front bonnet featuring Kia's signature 'tiger-nose' grille gives the Sportage an unmistakably sporty appearance.

2. Striking rear **LED lights** deliver powerful illumination – and a stylish look. The rear of the Sportage continues the theme of horizontal lines with a stylish red insert connecting the rear lights creating a distinctive and premium look.

3. Bold new **19" alloy wheels** with silver machine finish add even more stand-out style.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

Exterior design

## Refinement re-defined.

You'll make a real statement in the eye-catching Kia Sportage – without saying a word. The distinctive exterior design features a commanding side profile, a muscular stance and a bold front and rear design. The boot lid features sharper lines than its predecessor, incorporating the reversing camera under the boot release for a cleaner design.

1

3

1. The slick **Supervision Cluster** with a large **4.2" TFT LCD (thin film transistor liquid crystal display)** screen delivers precision information about the details of your trip.
2. Sit back and enjoy the luxurious, perforated **black leather seats\***. The driver's power seat offers added comfort with lumbar support, and both front seats feature electronic switches to help you adjust to your perfect position.
3. The sleek interior maximises both your comfort and style, thanks to a **high-quality** feel with premium, soft-touch materials, high-gloss inserts and satin chrome surrounds.

\* Some parts of the leather upholstery contain faux leather

The image shows the driver's perspective from inside a car. The steering wheel is prominent in the foreground, featuring the Kia logo. The dashboard and center console are visible, with a digital display screen. The background shows a cityscape through the windshield under a bright sky.

Interior design and quality

## You won't just see the difference. You'll feel it.

You'll want to be very hands-on in the Kia Sportage. Full of soft-touch materials, high-end finishes and the utmost attention to every detail, the interior is just as comfortable as you'd imagine. From the stylish seats to the use of premium quality materials throughout the cabin, there's no shortage of features to make you feel right at home. The new ergonomic cockpit is fully oriented towards the driver – with everything perfectly placed for you to use or view with ease. While the upper part of the dashboard offers a convenient eye-level display zone, the lower, easy-to-reach command zone puts everything you need within reach. It's a beautiful mix of innovation, comfort and world-class design.

Driver assistance

# We've thought of everything so you don't have to.

The Kia Sportage aims to make journeys hassle- and worry-free. That's why it comes packed with a host of advanced technologies and innovations to help you get to your destination stress-free. From helping you stay within the speed limit and improving your visibility on the road, to making sure parking is a breeze - the Sportage gives you full assistance all the way. So the only thing you have to worry about is enjoying your trip.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. **1. Bi-Xenon Headlights with Auto Levelling & Adaptive Lighting System.**

The Bi-Xenon headlights allow a single headlight to generate both high and low beam. The auto levelling and adaptive lighting device acts as an additional active safety feature by automatically adjusting the positioning of the headlight. This is designed to make driving at night or in low-light conditions safer by increasing visibility around curves and over hills.

**2. The Smart Parking Assist System (SPAS)** doesn't just help to guide you into parallel and perpendicular parking spaces – it also assists you in getting out of parallel parking spots with the handy manoeuvring-out function. To activate, simply press the parking button, drive slowly and wait for the system to detect an appropriate space utilising 12 sensors around the car. Then simply follow the instructions in the instrument cluster. These indicate when to change gear, while the system completes all the steering manoeuvres.

**3. Reversing Camera System**

The reversing camera is activated when reverse gear is selected. The full-colour screen is displayed on the satellite navigation screen and includes superimposed lines to help guide the driver into a parking space.

**4. Powered by a camera in the windscreen** which detects the cars ahead, the **High Beam Assist (HBA)** automatically switches to high or low beam to match the right driving conditions. The headlights are always set to the right light, leaving the driver free to concentrate on the road ahead for even greater safety.

**5. The Speed Limit Information Function (SLIF)** gives you all the necessary information to help you stay within the limits. Using the camera on the windscreen, it reads speed limit signs along the road and overtaking restrictions, and displays the posted speed beside the speedometer and on the navigation screen.

Convenience and comfort

## Every trip will be like a holiday.

The Kia Sportage is designed to be comfortable. More than comfortable, in fact. It's designed to make every trip wonderfully smooth, convenient and effortless. From keyless, hands-free technology like the Smart Power Tailgate, to high-tech chargers, to seats that let you stay comfortable no matter what the season – the Sportage's range of super-smart features give you plenty of reasons to settle in and enjoy the journey.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

1. You'll never need to hunt for your keys again. The **Smart Key** gives you easy, keyless access to every ride, and the **Start/Stop button** lets you turn the engine on and off with a simple press.
2. Enjoy the latest in technology with a **wireless mobile phone charger**. By using an electromagnetic field, the driver can avoid the inconvenience and interference of charging through a wire.\*
3. The **Tyre Pressure Monitoring System (TPMS)** shows details of each tyre's pressure so you can always keep them topped up.

4. A **rear USB socket** lets your rear passengers charge their devices conveniently.
5. Imagine having all the information you need on one screen? The **4.2" TFT-LCD screen on the Supervision Cluster** provides you with all the essentials - including turn-by-turn instructions for the navigation system, and all useful trip data.
6. **Heated front and outer rear seats, and ventilated front seats** keep you beautifully cool in summer and cosy in the chilly months.

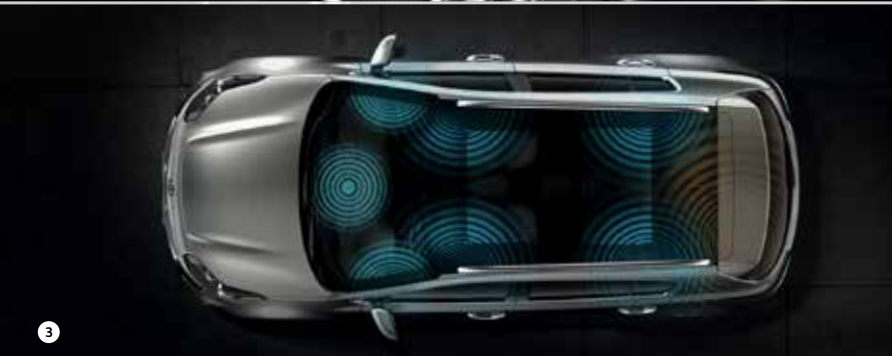

\*Compatible smartphone with data plan required to activate services. Please check with your Kia dealer for mobile phone compatibility.

2

3

1. The **8-inch Navigation System** ensures you always know exactly where you're going.

2. The **AUX/USB Connection** gives you all the port options you need for listening to your music or charging your devices.

3. The **JBL® Sound System** with 8 speakers features advanced Clari-Fi™ music restoration technology that improves the quality of MP3's and provides high-definition sound. The system includes a subwoofer, external amplifier and a newly

positioned front centre speaker for a high quality sound and all-round clarity.

4. The Sportage range features **DAB radio** with MP3 compatibility and a 6-speaker stereo system as standard. **DAB** (Digital Audio Broadcast) radio picks up a digital Broadcast signal, producing better sound and offering a wider choice of channels.

## Connectivity

# Connect, click and enjoy.

There's no need to worry about staying in the loop, because the Kia Sportage is full of ways to stay connected and entertained. Thanks to Bluetooth®, you'll never have to miss a call – or your favourite tunes.

But the Sportage doesn't stop there. A high-tech JBL® Sound System provides top-quality sound. The sat nav connection points make sure your favourite devices are never out of reach.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Kia Connected Services Featuring TomTom®

# Where? When? How? The answer is here.

Our new navigation system with Kia Connected Services featuring TomTom® Live Services takes reliable route guidance to the next level of accuracy and excellence. It keeps you in touch with the outside world and offers more handy information than ever. At the heart is a WiFi unit that enables the Sportage navigation system to connect to the Internet through your smartphone.\* Kia Connected Services also feature Android Auto and Apple CarPlay which are designed for convenience with the aim of reducing driver distraction whilst driving

## 1. Live Traffic\*\*:

The navigation system delivers highly accurate Live Traffic information that are updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

## 2. Speed Cameras\*\*:

You'll also be alerted to a whole range of speed cameras, including fixed and stationary ones, as well as restricted access zones. The system can even take into account areas where accidents are particularly common, and warn you about these accident black spots.

## 3. Local Search:

If you're looking for a sushi restaurant, a supermarket or a particular place to meet, simply select Local Search. The database contains 500 searchable categories, 25,000 keywords and 250,000 places to ensure you find what you need. Plus, the system allows you to search in ten languages, even while abroad.

## 4. Weather forecast:

Is your weekend away going to be sunny or a wash-out? Better check the weather forecast. Just type in your destination to view a four-day summary, complete with minimum and maximum temperatures, wind speed and chances of sun or rain.

\*Compatible smartphone with data plan required to activate services.

\*\*Legal restrictions to these services may apply depending on country usage

Navigation app interface showing a map of Frankfurt am Main with a route highlighted. The map includes labels for 'Nordend', 'Frankfurt am Main', and 'Obernd'. A speed limit sign for 50 is visible. The time is 14:44 and the distance to the next point is 200m.

Notice the high-gloss black 'blade' mesh radiator grille which gives the new 'GT-Line' a dynamic look and the stylish LED 'Ice-Cube' lights which complement the aggressive design of this model.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

'GT-Line' exterior design

## Unmistakably sporty.

The Kia Sportage 'GT-Line' oozes sportiness – and style. Distinctive design and head-turning features make this ultra athletic car hard to miss. Eye-catching mesh design, stylish ice cube LED fog lights and exposed dual exhaust pipes are just some of its bold features. To round things off, unique 19-inch alloy wheels complete this stunning model.

1. The exposed **dual exhaust pipes** and the **metal silver skid plates** add even more edgy appeal to the eye-catching exterior.

2. **Unique 19-inch alloy wheels** with matt silver machine finish give the 'GT-Line' its signature sporty style.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

'GT-Line S'

## Introducing the new 'GT-Line S'

The new 'GT-Line S' is impressive - boasting a choice of either a high powered 2.0 litre diesel (CRDi) 182bhp 6-speed auto or a 1.6 litre petrol (T-GDI) 174bhp 7-speed automatic powertrain, both come with All-Wheel-Drive (AWD). Amongst its standard features are bi-xenon headlights with auto levelling and an adaptive lighting system and the convenience of a panoramic sunroof which floods the cabin with light and air. It also boasts a smart power tailgate which makes loading items into the boot really easy.

On the interior this model stands out from the crowd too. Features which the 'GT-Line S' enjoys include a 10-way driver's and 8-way passenger's power adjustable seat with sliding, reclining and height adjustment functions and the convenience of a heated steering wheel which is especially useful for cold starts. This model also comes with an 8" Touchscreen satellite navigation screen with European mapping and traffic messaging channel (TMC), an 8-speaker JBL® premium sound system and a smart parking assist system which makes parking a breeze!

1. **Hill-start Assist Control (HAC)** takes the hassle out of starting on an incline as well as being an important safety feature, by preventing you from rolling backwards.
2. **Downhill Brake Control (DBC)** helps keep you steady – and at a stable speed during steep descents.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

Dynamics and capabilities

## Driving Dynamics

There's nothing quite like setting off on an adventure. And in the Kia Sportage, you'll want to find any excuse at all to get out onto the road. That's because this model was built to give you full freedom and control, no matter where you go. Advanced SUV capabilities with All-Wheel-Drive (AWD) continuously monitor driving conditions to maintain traction on rough, loose or slippery surfaces. It also helps improve lateral stability when cornering. AWD is available as a standard feature on many models within the range.

Thanks to the innovative Rack-mounted Motor Driven Power Steering, you'll enjoy an even more refined drive – with smoother steering, better handling stability and direct driver response.

Versatility and spaciousness

## Room for any adventure

Because journeys are even more fun when they're shared, the Kia Sportage gives you plenty of room to enjoy. The uniquely configured cabin makes things just as comfortable for your passengers too. In fact, with such spacious dimensions and reclining rear seats, every seat will feel like the best one. To give you the flexibility to use your space however you choose, the Sportage's rear seats are also able to move and fold to create an almost flat floor. And, with the generous capacity of the 2-level boot, you'll always have ample room to bring a crowd along for the ride.

1. For maximum versatility and flexibility, the Sportage features **60:40 split-folding rear seats**.
2. The **spacious boot** is versatile, flexible and roomy enough for a 491-litre load with the seats in place, and a massive 1,480 litres with the rear seats folded down.
3. The **2-level boot floor** offers you even more flexibility with an additional 12-litre load capacity and 98mm height on the lower level.

1. **Autonomous Emergency Braking (AEB)** is amongst the brand new safety features available on the Sportage. Many accidents are caused by late braking and/or braking with insufficient force. AEB systems improve safety in two ways - firstly, they help to avoid accidents by identifying critical situations early and warning the driver and secondly they reduce the severity of crashes which cannot be avoided by lowering the speed of collision and, in some cases, by preparing the vehicle and restraint systems for impact.

2. **Blind Spot Detection (BSD)** alerts the driver if a vehicle is in their blind spot when changing lanes. Radar sensors in the rear bumper monitor the areas behind the Sportage which

are difficult to see. A warning symbol in the rear mirror then appears. If this warning is ignored and the driver changes lanes, the symbol starts to flash and a warning sound is emitted.

3. **Rear Cross Traffic Alert (RCTA)** makes reversing out of parking spaces perfectly safe by warning you of traffic crossing behind you.

4. **Lane Keep Assist System (LKAS)** is designed to alert the driver that the vehicle is about to deviate from a traffic lane. The system helps the car stay on course within the centre of the lane by continuously applying a small amount of counter-steering force.

Safety

## Uncompromised safety credentials

Structurally reinforced with ultra-high tensile steel to offer even more protection, the advanced body shell is built to ensure your safety. At the same time, six airbags that activate in the event of a collision help to keep you and your passengers safe. When it comes to active safety, a host of hard-working systems keep you confidently in control on the road.

The Sportage range is officially amongst the safest cars in its class having been awarded a 5-Star EuroNCAP rating, the highest safety standard possible.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

Engines

## Superior power, performance and efficiency

Designed to deliver when it comes to both performance and practicality, the Sportage engines are just as impressive as you'd imagine. You can choose from a wide range of powerful petrol and diesel engines – including the 1.6 T-GDi petrol engine which is available on selected derivatives of the Sportage range. This engine is a 4-cylinder, 1591 cc engine with 174 bhp maximum output at 5,500 revs per minute which is available in a choice of either a 6-speed manual or a brand new 7-speed auto DCT (dual clutch transmission). This system offers dynamic driving performance along with further improved fuel efficiency and driving refinement with the aid of rapid-shift and optimised gear ratios. The DCT reaches 0-60 MPH in 8.8 seconds with CO<sub>2</sub> emissions of 175 g/km.

1. **Intelligent Stop and Go technology** is as reassuring for your wallet as it is for the environment. It includes the **Energy Regeneration System**, which is activated when you take your foot off the accelerator. The Energy Regeneration System uses the kinetic energy to recharge the battery – making it fuel and planet-friendly.

**ECO** dynamics

## Accessories

# Finish with a flourish.

The Sportage is an impressive package – but there's always room to add a few extra touches. With a range of high quality, genuine accessories that have been designed and engineered to enhance the looks and capabilities of the model, you have everything you need to make your car even more suited to your tastes. Just speak to your Kia dealer about the range of accessories available or log onto [www.kia.co.uk](http://www.kia.co.uk) for information.

- 
- 1. Textile floor mats, velour & white LED footwell illumination**  
High quality velour mats protect the footwell and keep the interior looking fresh. Also available with 'GT-Line' logo and double stitching on the border. The subtle white LED lighting provides welcome illumination that automatically switches on and off with the opening and closing of the doors.

**2. Rear bumper protector, boot mat and boot sill protector**

High gloss stainless steel protection, sturdy and purpose-made for the rear bumper. The high quality velour boot mat looks after fragile cargo and protects the carpet from dirt.

**3. Door mirror caps**

High-gloss stainless steel mirror covers add eye-catching detailing to the Sportage.

**4. Side steps**

Matt aluminium steps with anti-slip rubber inlays aid access to roof-mounted accessories. With and without LED strip lighting.

**5. Tow bar**

A high-quality, corrosion-resistant tow bar offers you easy, secure and discreet underside mounting.

**6. Cargo separator**

Fitting perfectly between the rear seatbacks and the roof, this robust and easy-to-install grid protects you and your passengers from the movement of items in the boot.

- 1. Black cloth upholstery**
- 2. Black premium cloth upholstery**

- 3. Black leather upholstery**  
(available on certain Sportage models)

## Peace of mind

# Complete peace of mind.

### 7-year vehicle warranty

Every Kia benefits from a 7-year/100,000 miles new car warranty. This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

### 5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

### Stay in touch with Kia

Visit [www.kia.co.uk](http://www.kia.co.uk) for all the latest news and to find out more information about the Sportage range.

## Care-3

For complete peace-of-mind, Kia can offer you a great value fixed-price servicing package for your Sportage which is called Care-3.

Please speak to your Kia dealer for more information and pricing.

Terms and conditions apply. Log onto [www.kia.co.uk/care3](http://www.kia.co.uk/care3) for details.

### Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Log onto [www.kia.co.uk](http://www.kia.co.uk) for more details.

The official fuel consumption figures in mpg (l/100 km) for the new Sportage range are: Urban: 28.2 (10.0) - 52.3 (5.4). Extra Urban: 43.5 (6.5) - 67.3 (4.2.). Combined: 37.2 (7.6) - 61.4 (4.6). The official CO<sub>2</sub> emissions for the Sportage range are 119-177 g/km.

Fuel consumption figures are derived from testing in accordance with EU standard test procedures and regulations. These official figures are for comparative purposes only and may not reflect 'real world' fuel consumption. The figures do not constitute a guarantee or offer from Kia Motors. For more information visit <http://www.dft.gov.uk/vca/fcb/the-fuel-consumption-testing-scheme.asp>
